

**WEDNESDAY 11<sup>th</sup> FEB 2026**

**Snooker Room Closure Notice**

**We regret to inform members that the snooker room remains temporarily closed following recent damage to the area.**

The room will remain closed until remedial works are completed and clearance has been received from our insurers.

We understand the snooker room is an important part of the club for many members and appreciate your patience while we work to ensure the space is safe and fully restored.

We will provide an update as soon as reopening arrangements are confirmed. We do not however have a definitive timeline for this at the present time.

Thank you for your understanding.

**Maroubra Seals Club Management**
